?? ?Vecttor System ??????????FDA DR. Donald
Rhodes??

?????????????, Vecttor System, ?You Tube????????, ???????, ??????????. ??????????,
????????.

**"This Dr. Rhodes is not a medical doctor (not a MD) and not a Ph.D. He is a podiatrist (a foot doctor) who received no traditional medical triaining except that he graduated from a podiatry school. He has no research training on his CV.
All the claims of the effectiveness on YouTube were subjective reports. There is no data. I seriously doubt that FDA will approve this as a medical treatment."**

????????????????????.

Best regards,
???
